

# New books on dealing with separation

## Talking About Separation

Charlie Azzopardi

## Telling Your Child About Separation

Charlie Azzopardi

## Will they still love me?

*This series of books addresses marital separation and the impact of its quality on children in their present and future lives. The books are intended to help parents minimise the long-term trauma of marital separation on children and to help adolescents and children clarify ideas about separation and armour themselves against the negative effects that ensue.*

Dr Charlie Azzopardi is a Systemic Family Therapist trained in diverse psychotherapeutic modalities. He has collaborated with a wide range of local and foreign mental health services. He has also written and broadcast extensively on relationship and family issues. Dr Azzopardi's main interest remains the wide spectrum of family problems and the development of new therapeutic techniques that make working with families and individuals easier, accessible and effective.

# Kotba ġodda dwar l-impatt tas-separazzjoni

Din is-sensiela ta' kotba tiffoka fuq is-separazzjoni maritali u l-impatt li din thalli fuq il-ħajja tal-ulied, kemm fil-preżent kif ukoll fil-ġejjieni. Il-kotba nkitbu biex jgħinu lill-ġenituri jnaqqsu l-effett negattiv li thalli s-separazzjoni fuq it-tfal, u jgħinu wkoll lill-adoloxxenti u lit-tfal jiċċaraw l-ideat tagħhom dwar is-separazzjoni u jhejju lilhom infushom biex jikkumbattu d-diffikultajiet u l-kunflitti li din iġġib magħha.
